

# MISSION SHEET #1

**OBJECTIVE: Talk Proper.** These Nottingham words are used in Issue 1. Match them with their Standard English equivalent. In the blank boxes, add some dialect words of your own, or make some up! Check out Nottingham's [Word of the Week](#) for inspiration.

## NOTTINGHAM

## STANDARD ENGLISH

Rammel

Isn't it

Owt

Fellow / Man

Tek

Not very good

Bobbins

Anything

Feller

Take

Innit

Not very good

### QUESTIONS :

**Think about** the words you hear people say that are specific to where you live, or tend to be used by a particular group or community.

- Do you know how to spell them?
- When would you be most likely to use them?
- Do you often see them written down?
- What is the difference between dialect and slang?
